

ACCESSIBLE WINERIES IN LANGHORNE CREEK

We want everyone to have the opportunity to enjoy Langhorne Creek and we welcome people of all age and physical ability. Our cellar doors are constantly improving facilities to support and promote inclusive experiences.

By providing the following information we aim to help people with a diverse range of abilities plan their visit and improve their Langhorne Creek visitor experience.

Bleasdale

- Bleasdale cellar door is step free, spacious and easy to navigate.
- Bleasdale has a large flat carpark with a gravel surface. There is a designated access park by the office for close access to cellar door.
- There is an accessible toilet with ramp access. This is across a gravel carpark from cellar door.

Vineyard Road

- Vineyard Rd cellar door has an accessible car park right next to the entrance. Alternative parking is available in a spacious, gravel parking area.
- The accessible toilet is currently not available due to site renovations. (current September 2020)

Kimbolton

Kimbolton Wines is Langhorne Creek's newest cellar door with excellent modern facilities.

- Parking is in a spacious, gravel parking area and there is access via a path to the front door.
- There is one full accessible toilet and an ambulant toilet.
- The cellar door has indoor and outdoor seating for their wine and cheese experiences.

Lake Breeze

Lake Breeze is currently (September 2020) building a state-of-the-art function centre for weddings and special events with accessible facilities.

- There is easy level access through front door and into the cellar door.
- There is **accessible inside and outdoor dining available**.
- Parking is in a spacious, flat gravel parking area. Less mobile might consider getting dropped off at the front door and having the driver park the car.
- There are two ambulant toilets and 1 accessible toilet.

Angas Plains

- Angas Plains have a dedicated accessible parking space and other parking is available close to the cellar door in a spacious, flat gravel parking area.
- There is easy level access through front door and into the cellar door and **accessible inside and outdoor dining** available.
- There is an accessible toilet.

Rusticana

Rusticana is also the home of Newman's Horseradish and condiments. Parking is in a spacious, flat gravel parking area.

- There is a ramp to the elevated cellar door and deck overlooking vineyards, the horseradish fields and the river and gums beyond.
- There is an accessible toilet with handrails and sliding door.

Bremerton Wines

Bremerton Wines are currently (September 2020) undergoing a major redevelopment to their cellar door. The completion date is December 2020.
